Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-58672, 03/11/19, 2220 hours:** Riverside Sheriff requesting a trailing dog to assist in the search for a critical missing 69 year old female that walked away from her home in a urban area of Jurupa Valley, CA. The request was for an immediate response. Riverside Sheriff suggested using a trailing bloodhound from Pamona Police, a neighboring jurisdiction in LA County. Pamona Police was contacted and deployed their trailing dog. The dog was able to follow, but then lost the missing woman's trail. The missing subject was not located. The Pamona Police dog returned to base and the search will continue using local resources. **Mission Closed**
- **2019-LAW-58666, 03/11/19, 1930 hours:** IERCC reported a Delorme In Reach activation at 34.082218° by -116.138964°, which plots to Rattlesnake Canyon, Joshua Tree National Forest, San Bernardino County. The device user reported they were lost and needed help with directions. San Bernardino Sheriff was advised and arranged to have a Park Ranger respond to the scene to guide the subject out. **Mission Closed**
- **2019-LAW-58652, 03/11/19, 0815 hours:** Mendocino Sheriff requested a cadaver dog for a law enforcement sensitive search in the Covelo area. Mission scheduled for 03/12/19 at 1100 hours. **MISSION ONGOING**
- **2019-LAW-58514, 03/05/19, 1604 hours:** Mono County Sheriff's Office requested assistance with a Search and Rescue (SAR). A 24 year old active duty Marine left on 02/25/19, alone, from Onion Valley in Inyo County to cross country ski the High Sierra Route which is 195 miles long and runs through several counties. His friend was to pick him up 03/04/19 or 03/05/19 near Bridgeport. He did not show up and has had no contact with anyone. The Air Force Rescue Coordination Center (AFRCC) was not able to run cellular phone forensics as his phone has been turned off since 02/25/19. Aerial searches will begin once the winter storm breaks. **Update: 03/09/19,** National Guard continuing to evaluate the weather to determine when an aerial search would be feasible. Request for a helicopter with NVG capabilities for a night time search still pending. National Guard also has a search airplane on standby by waiting for appropriate weather. National Guard has deployed a liaison officer to the incident for on scene coordination. **Update 03/11/19:** As a result of better weather, the National Guard was able to deploy a helicopter and an airplane for searches on 03/10/19. The Marine Corp agreed to deploy 2 helicopters from Camp Pendleton for night time searches. The National Guard will also deploy a helicopter on 03/11/19 to insert a search and rescue team on skis into remote areas for additional searches. **Update 03/12/19:** Weather has hampered search efforts. National Guard and Marine Corp helicopters flying missions as weather permits. **MISSION ON-GOING**
